

Vacation extension through Workation

Remote working possible? Why not stay in paradise for a week or more and extend valuable family time!

Experience the trend benefit: legally compliant working from Adria - thanks to an innovative employer subsidy.

Your Workation Adria model:

Inspiring working environments

Modern workstations with ergonomic comfort and High-speed Internet in a state-of-the-art coworking space.

Comprehensive service

Personal success management with on-site support, VIP shuttle service, emergency interpreters and medical support.

Premium Accomodation

Over 30 discounted premium resorts at the market leader Valamar.

Carefree for families

Comprehensive childcare and leisure activities for the whole family.

Employer

- **Strengthen family friendliness:** Position yourself as an attractive employer for modern families.
- **First mover in the corporate benefits trend:** Set new standards in your employer brand and use the game changer in times of skills shortages.
- **Promote innovation and new work:** Inspire your workforce with future-oriented working models.

Splitting-Model

Employers subsidize compliance security and access to the Workation model on the Adriatic.

Employees

- **More family time:** Combine work and leisure time to extend precious moments with your loved ones.
- **Work in inspiring surroundings:** Enjoy productive work in fantastic locations where others go on vacation.
- **Work-life balance:** Use modern working models to harmoniously combine work and private life.

Discounted design

Employees design their workation individually and receive full support on site from Workation Adria.

Workflow

- 1 Our structured process begins with your company's cooperation with Workation Adria.
- 2 After communicating with the workforce, employees apply for their workation, which is then approved by superiors.
- 3 The next step is to check the compliance risk before the HR department approves the booking.
- 4 Finally, we ensure the implementation of compliance measures and comprehensive on-site support.
